RE: COMMITMENT ON PAYMENT OF RENT ARREARS

As earlier communicated, we still remain committed to settle the outstanding payments via PD cheques that shall be issued to you in 3 equal installments.

Kindly allow Mr. Denis Musau to continue operating business on the premises as by now we could have averted the current stalemate.

We have also put measures in place to ensure steady income streams to enable us honor the monthly rent payments.

Your consideration will be highly appreciated.

Kind regards,

Fred Kairu
